Chair TOW Planning Board,

I am writing to request that the Town of Wawayanda Planning Board extend the comment period for the Marangi project. I will be impacted by this project as I live in the area and I also use the Dolsontown Road corridor. I just found out about the project recently and want to participate in this process. I would like to become an intervenor in this process.
Please stop ruining the area with these projects that are irresponsible to our environment, way of life, and well-being.

Thank You. Rachelle R. Rebmann
