Chair TOW Planning Board,

Smells like some big polluters have bought off some wanton politicians in order to get some Campaign $$$.
And Who made the "Citizen's Comment Period" so short, that this GRAB could slip in under cover of darkness ?????
I am writing to request that the Town of Wawayanda Planning Board extend the comment period for the Marangi project. I will be impacted by this project as I live in the area and/or I use the Dolsontown Road corridor. I just found out about the project recently and want to participate in this process. I would like to become an intervenor in this process.
John Stevens & Family
Thank You
