Subject: DGEIS PUBLIC COMMENT - OPPOSITION
Date: Tuesday, July 12, 2022 3:31:13 PM

This is for the record that I OPPOSE the DGEIS project. There already is the massive power plant in my backyard, which has been giving off a horrible, acrid odor around my neighborhood and surrounding areas. Nobody likes the power plant.

And now we have THIS.

We do not need any construction where green, open area should be. Please help stop the destroying of our communities. Please think of our future.
