Chair TOW Planning Board,

I am writing to request that the Town of Wawayanda Planning Board extend the comment period for the Marangi project. I will be impacted by this project as I live in the area and/or I use the Dolsontown Road corridor. I just found out about the project recently and want to participate in this process. I would like to become an intervenor in this process. Also this company has some history with unsavory people. Has the town checked this out. Listen to the people of this community instead of covering up the facts.

Thank You

Joan Pisacane
