Chair TOW Planning Board,

I am writing to request that the Town of Wawayanda Planning Board extend the comment period for the Marangi project. I will be impacted by this project as I live in the area and I use the Dolsontown Road corridor. I just found out about the project recently and want to participate in this process. I feel people need more time to learn about this project, as well. This is a major project that will affect the area.

Thank You
