Chair TOW Planning Board,

I am writing to request that the Town of Wawayanda Planning Board extend the comment period for the Marangi project. I will be impacted by this project as I live in the area and/or I use the Dolsontown Road corridor. I just found out about the project recently and want to participate in this process. I would like to become an intervenor in this process. I have lived in Wawayanda for 47 years, enjoy its remaining rural character and the Heritage Trail. As a long -time lung physician, critical care specialist and chief of medicine at Horton, Orange Regional and Arden Hill hospitals I strongly oppose the turning of our town into the garbage and air pollution center of our county

Thank You
