Hi,
My name Keith Sumner. I am a resident of the City of Middletown. Just dropping you a note to say that I am opposed to the Dolsontown Corridor DGEIS project. I feel this way for a number of reasons, but seriously gang, just the horrendous traffic alone already in the Dolsontown / 17M /County 78 area, should be reason enough for you to consider a more appropriate location. We all need to get to work, AND get home in a reasonable amount of time .
Regards,
Keith Sumner
