Chair TOW Planning Board,

I am writing to request that the Town of Wawayanda Planning Board extend the comment period for the Marangi project. I will be impacted by this project as I live in the area and/or I use the Dolsontown Road corridor. I just found out about the project recently and want to participate in this process. I would like to become an intervenor in this process.

Please do not allow this project to go forward. Our community does not need or want any more degradation of the local enviornment.

Thank You, Peter Becker
