Chair TOW Planning Board,

I am writing to request that the Town of Wawayanda Planning Board extend the comment period for the Marangi project. I will be impacted by this project as I live in the area and/or I use the Dolsontown Road corridor. I take this route everyday and this will effect me and everyone else who relies on this is their main route of transportation I just found out about the project recently and want to participate in this process. I would like to become an intervenor in this process.

Thank You
