My name is Therese Mullins
I reside in the Town of Wallkill
I oppose this garbage dump project

Mind boggling that after years of waiting for the region benefitting Heritage Trail to come through, that this is even a thought. Why would anyone want to walk this trail when the stench of garbage and truck emissions will be in the air.

Wouldn't surprise me in the least if this was planned years ago with one of Cuomo's henchmen.

You already destroyed the view on
Route 6 and Monhagen Ave. How about you leave a bit of clean green space for residents to enjoy.
