Chair TOW Planning Board,

We don't need another environmental impact in our town. This is a very poor decision for all who live here.
I am writing to request that the Town of Wawayanda Planning Board extend the comment period for the Marangi project. I will be impacted by this project as I live in the area and/or I use the Dolsontown Road corridor. I just found out about the project recently and want to participate in this process. I would like to become an intervenor in this process.

Thank You
