Subject: DGEIS PUBLIC COMMENT
Date: Tuesday, July 26, 2022 12:39:34 AM

Hey Stacey,

It is after midnight but people are still signing the petition, I really think that goes to show how crucial it is that they extend the public comment period. I'm trying to regenerate a report with every name written out, but it is definitely more than on the file I sent. This website isn't as easy to operate as I had hoped.

Thanks
Skyler
