Chair TOW Planning Board,

I am writing to request that the Town of Wawayanda Planning Board extend the comment period for the Marangi project. I will be impacted by this project as I live in the area and/or I use the Dolsontown Road corridor. I just found out about the project recently and want to participate in this process.

The placement of a dump site near our valuable Heritage Trail scenic corridor is disappointing. Sounds like fast, easy money for the Town but dump sites have a way of becoming ensnarled in complex litigation, often involving local government, which often dilutes the intended lucrative economic return.

Thank You
Annmarie Rolo
