Subject: DGEIS PUBLIC COMMENT

Gentlemen,

My family joins me in voicing our opposition to the proposed building of a Garbage Station and 5 Industrial Warehouses on the Dolsontown / Schutt Road.

While recognizing the need for such a Facility in our area it would be most appreciated if alternate sites be identified. And of course with community input.

The proposed site does encroach upon the State-regulated wetlands in our area, the Heritage Trail, and the Native American Migratory Trail.

Thank you for your attention to our plea.
